

Create unique and sanitized **TOUCHLESS** customer experiences

Transform In-Room TVs and Telephones with **NevoTOUCHLESS**

ZERO-TOUCH, JUST SCAN QR CODE!

Pairing personal device with in room hotel TV is simple as scanning QR code.

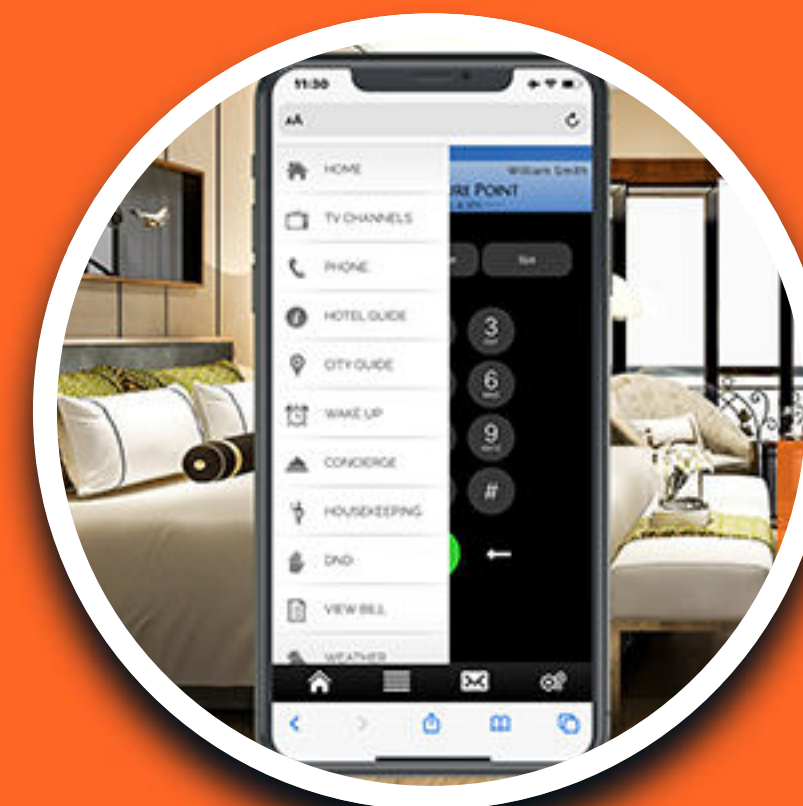

HOTEL MOBILE APP WITHOUT DOWNLOAD!

Enhance guest experience by allowing them place an order, set a wakeup, and more from their mobile device with no additional app.

CONTACTLESS AND NEXT GEN TV REMOTE!

Let your guests use their mobile device as in-room TV remote. It can be activated on existing NevoTV or along with NevoTV in new IPTV projects

UNIQUE VIRTUAL PHONE FEATURE

Modular SoftPhone feature turns guest's mobile device into the extension of in-room phone over hotel PBX.
